

Recommendation from JOSO-MEISANKAI

Souvenirs of JOSO-city

TOYODA Castle

Established in 1992, it is community center where local people get together. The castle has Hall, local history and art museum and library.

The house where Mr. TAKASHI NAGATSUKA was born

He was born in 1879, very famous writer. He mainly writes about farmer.

JOSO-city Sightseeing spot

JOSO-city is located between KINU River, and KOKAI River. Because of the river we have rich soil, and we develop long history of traditional industries. We located next to TSUKUBA-city, a cosmopolitan city. We are hoping to the city that everyone can relax and make him or herself at home.

HITOKOTONUSHI shrine

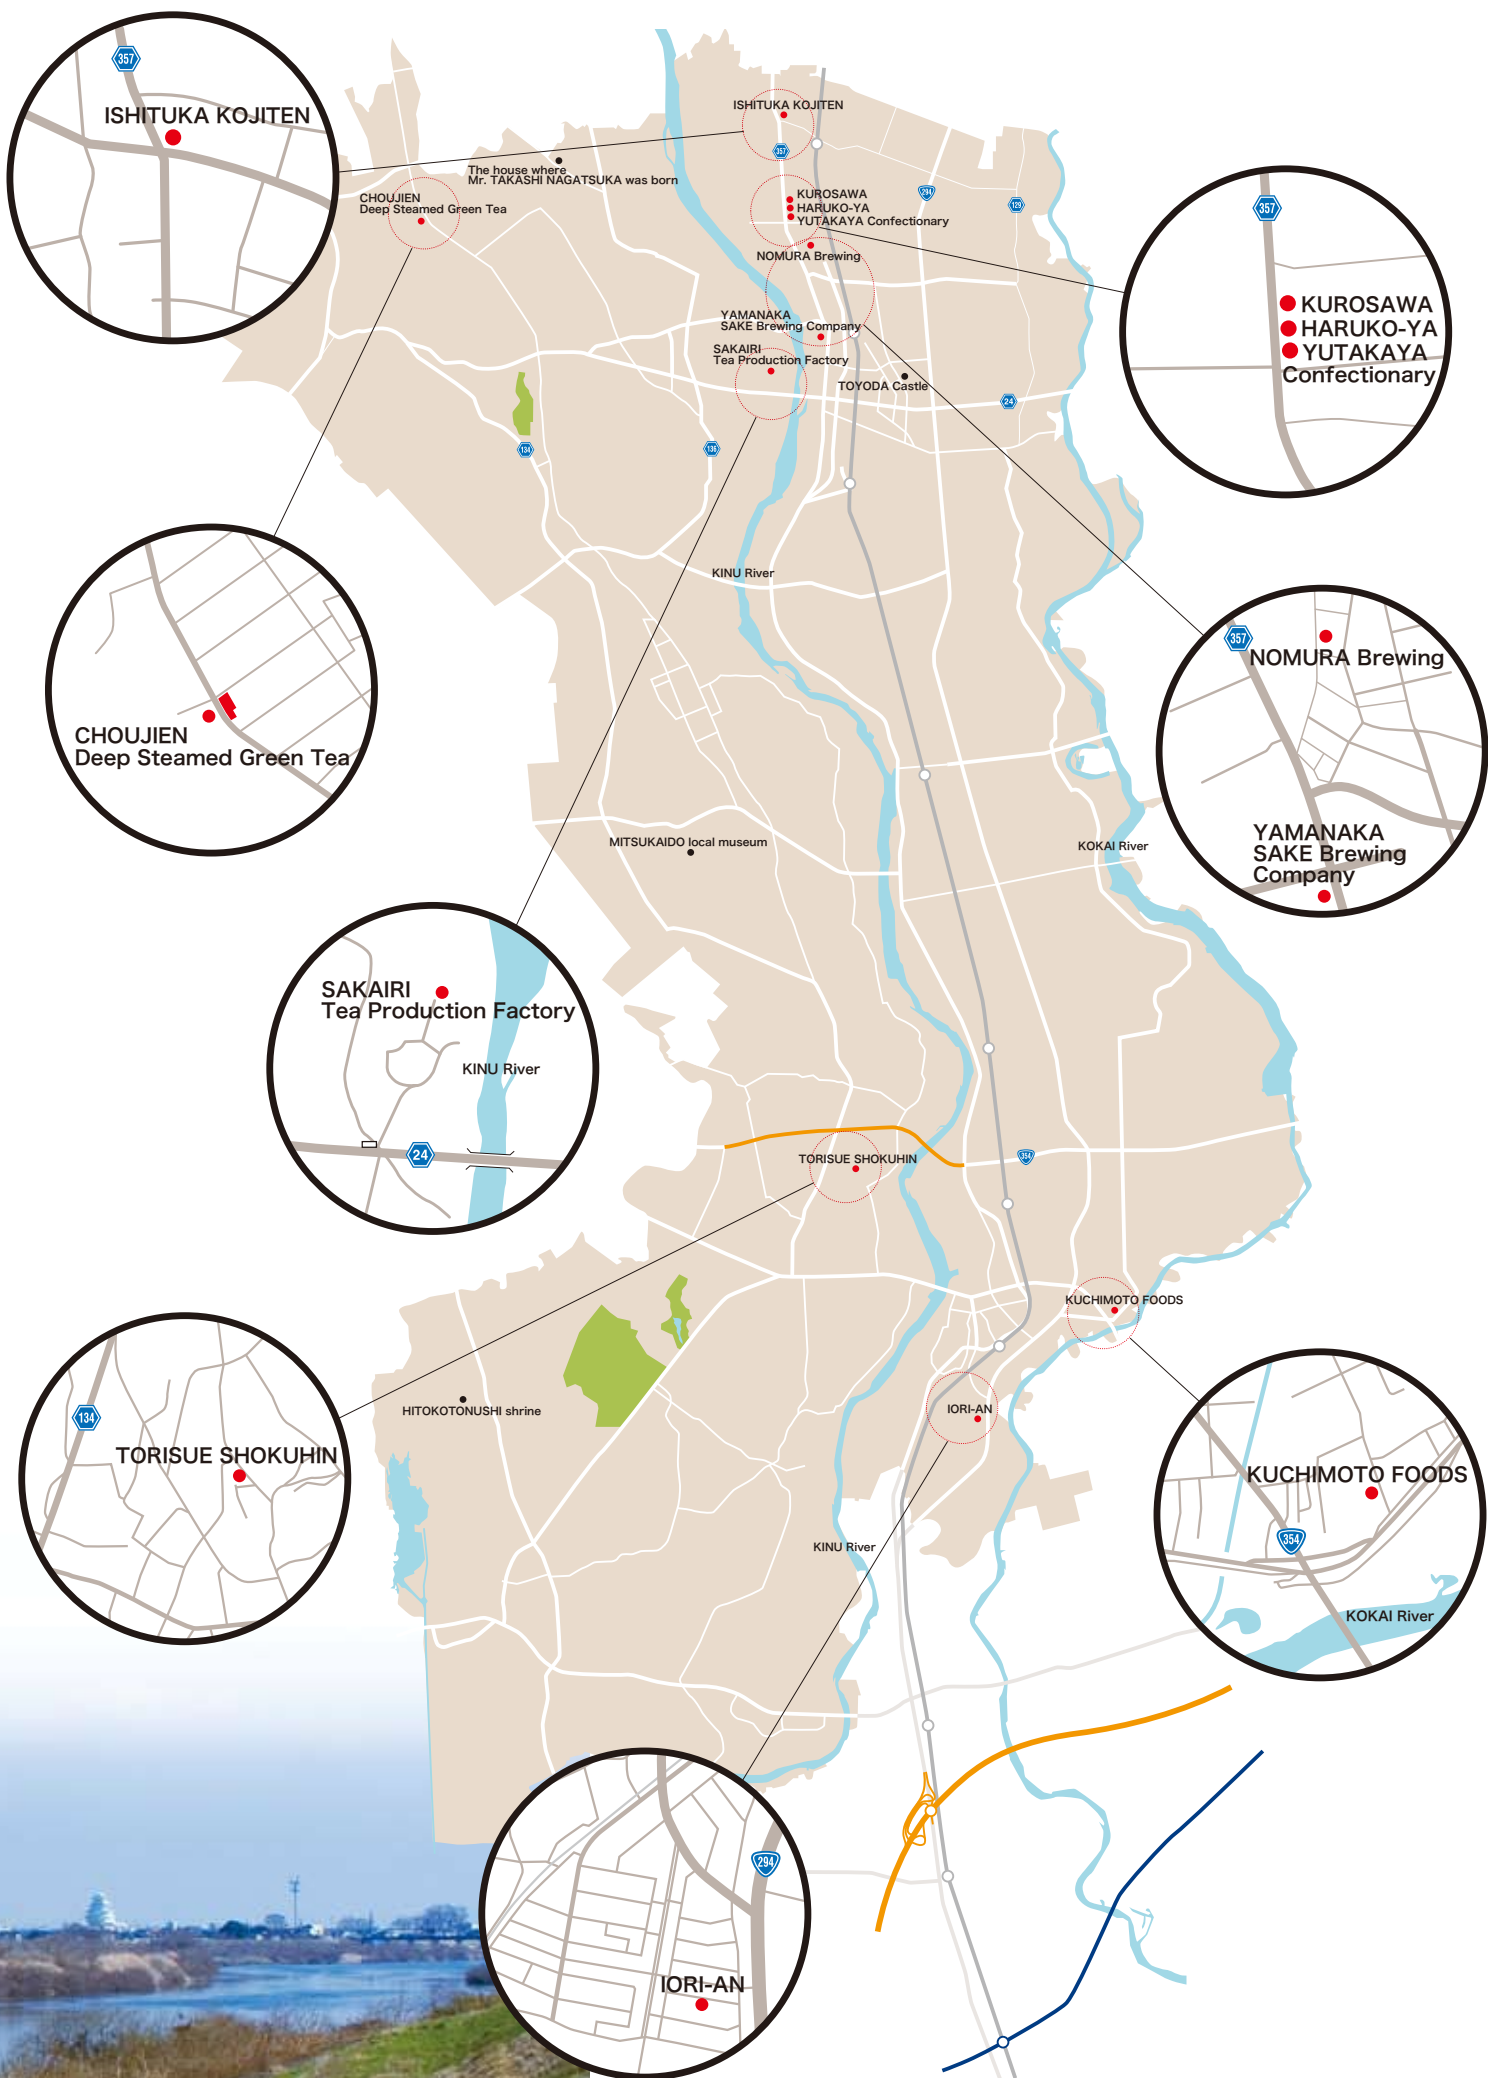

One of the famous shrines around KANTO area. This Shrine was built in 809.
